male circumcision
das magazin (ch)
2012

downtown lusaka

hunting for forskin: mabvuto manda 24

young men on their way to the circumcision

siancheka nzila won't have a forskin for much longer

before

and after

they call him the prophet

he claims to be able to cure aids

and sells blessed business cards, blessed stickers and blessed tap water

in sambia, miracle cures against cancer, hepatitis and hiv are offered on every corner

radio host and circumcision activist mannasseh phiri on air

central district lusaka

dr. daniel makawa - the national male circumcision coordinator

the shang ring enables circumcision even without doctors

his royal highness chief mumena,

a friend of bill gates',

circumcised since february 2011
